

Curriculum/Program Administrator

The Curriculum/Program Administrator is defined by the Arkansas Department of Education (ADE) as an individual that is responsible for:

- (1) program development and administration, and/or;
- (2) employment evaluation decisions.

Requirements for the Curriculum/Program Administrator license may be accomplished with a program of study in educational administration. The license is granted by the Arkansas Department of Education (ADE) to the candidate to administer only in one of the following specialty areas offered at the University of Arkansas: Special Education and Curriculum Specialist. Enrollment in these licensure programs requires an earned master's and current standard teaching licensure in the area of specialization. The internship must be completed in the specialty area and identified on his/her teaching license.

Admission Requirements

To be admitted to the Curriculum/Program Administrator Licensure program of study, the candidate must submit an application to both the Graduate School and the Educational Leadership M.Ed. Program as outlined at <http://edle.uark.edu/admission-requirements.php>.

Requirements for Completion

To complete and receive the Curriculum/Program Administrative License, the candidate must:

- Have at least four (4) years of teaching experience in the area of specialty represented by the license;
- Successfully complete the required program of study for the specialty area (15 graduate credit hours) and educational leadership core courses (15 credit hours);
- Successfully complete an internship experience;
- Successfully pass the School Leaders Licensure Assessment (SLLA);
- Successfully pass the Teacher Excellence and Support System (TESS) Exam for school administrators; and,
- Successfully complete a culminating portfolio experience.

Programs of Study

The required leadership core courses constitute the standards associated with that body of knowledge and the application of appropriate skills and dispositions to be a successful school building leader/administrator. Candidates may present acceptable coursework for transfer credit by presenting official transcripts from an NCATE accredited and approved educational administration program of study. Candidates will complete required course projects and activities related to the area of specialization.

The following two programs of study are offered at the University of Arkansas:

Program of Study for Curriculum Specialist (grade level P-12)

(30 credit hours)

CIED 5453 Evaluation Techniques
